We love what we do

Our distinction is the social treatment that we have towards our collaborators. They have all the services and working incentives that the country laws determine, forming the FRUTADELI family.

Working with the best... will make you one!

Service & Assistance

We strive every day to offer our providers and customers the best service, support and assistance of all our operations. In this way we have the advice of professionals in the management of documentation, location and tracking of cargo from the farm to its arrival in the different destination ports.

You put the need... we put the solution!

The Best
Bananas

PRODUCT OF ECUADOR

Global Leaders

Ecuador is located in the middle of the world, a privileged geographical position where different weather conditions converge making ecuadorian soil the ideal for the production of high quality bananas recognized by its flavor, good size and extended green life.

**These are the reasons why the world prefers our
ecuadorian green gold!**

Our Brands

Our brands have achieved an important position in the international markets thanks to our philosophy of respect and attention to the constant and changing demands of our customers and markets.

Frutadelí... is quality service!

Passion and Leadership

We invite you to feel and live our Sweet Passion for Bananas because we know that we are dedicated to the most valuable work on earth:

TO FEED THE WORLD!
